

MIDDLESEX SCHOOL
INTERNATIONAL STUDENT INSURANCE PLAN FORM: 2018-2019

Dear Parent/Guardian:

The Middlesex School requires that every student be covered by a comprehensive injury and sickness insurance plan that provides coverage for medical care required while a student attends the School and is accepted by local practitioners. **U.S. providers will not accept medical insurance policies issued in a foreign country or from companies outside the United States. For that reason, international students who do not have coverage with a USA based company must enroll.** International families have the option of choosing a 10 month or 12 month health insurance plan. These plans will cover students anywhere in the world except your home country.

INJURY AND SICKNESS INSURANCE PLAN (PRIMARY COVERAGE) Coverage provides primary, first dollar benefits anywhere in the world, except your home country. This plan was designed especially for private secondary schools and meets the mandated requirements of Massachusetts law. Students will have access to the United Health Care Network for the 2018-2019 school year. For more details about this insurance plan, please reference the Middlesex School insurance plan brochure and/or summary on the Middlesex School website parent's page. To ensure your student receives an insurance card at registration, please return this completed form by **May 15th**.
