

DAY STUDENT DRIVER REGISTRATION—2019-2020

COMPLETE THIS FORM ONLY IF STUDENT HAS A LICENSE

I have read and understand the regulations concerning the use of my automobile(s) on campus as outlined in the *Handbook*, and I understand that such use is a privilege that may be curtailed or eliminated by the School as conditions warrant.

As **juniors**, students may not drive off-campus during an academic day. The only occasion that they may take fellow upper class students out for lunch is on a Wednesday, or a Saturday (days that the academic day ends at lunch). All students participating in an off-campus lunch on those days must have the required parental permission on file. Permission must be given by a faculty member and the driver and passengers must sign out electronically using the online MX Moodle form. The driver is responsible for listing passengers on the form.

Seniors may receive permission to leave campus for lunch if they have a free period either immediately before or immediately following the lunch period. They may also give rides to other members of Class I if these individuals also have the identical periods free and have the required parental permission on file. In all cases, the driver must obtain permission from a faculty member; electronically sign-out and list passengers, if any, on the MX Moodle sign-out form. Passengers, boarding or day, must sign out electronically, too. *All students are encouraged to have lunch on campus and use this privilege sparingly.*

Seniors and juniors may occasionally want to take upper class boarding students out for dinner. Permission must be received from a faculty member, the driver and passengers must sign out electronically, and dinner trips must return by 7:30 PM.

No sophomores or freshmen are permitted to drive with day students except in a carpool situation.

Day students that break these rules will lose part or all of their driving privileges for an extended period of time, which may last until the conclusion of the academic year.

Name: _____

Class: _____

Issue Date of License: _____

Make of Car

Color

License Plate #

Please include all cars you might have occasion to bring onto the campus during the current academic year.

Student Signature: _____

Parent Signature: _____

You may return all forms to Deans@mxschool.edu or fax to 978 287 4764. Standard mailing of forms should be addressed to Deans Office, Middlesex School, 1400 Lowell Road, Concord, MA, 01742
