

Congratulations

you did it!

We invite you to **find your promise** at Middlesex

Whether you are seeking new academic challenges, passionate about the arts or athletics, or just excited to try new things, Middlesex provides a program that fuels your ambition and taps your curiosity. The closeness of our small school enables you to engage in multiple areas of school life, both in and out of the classroom. The breadth and depth of opportunities, typically found only at much larger schools, will continuously challenge you. At Middlesex, you will stretch your limits under the guidance of a school community determined to help you **find your promise.**

12 students per class
23 AP classes and
numerous honors classes
93 faculty

Now that you've been accepted, there are some important things that you need to do before you join the Middlesex community.

Return to campus:

Want to take a second look before making your final decision? The optional Revisit Days provide an opportunity to take a deeper look at a day at Middlesex, and they include classes and opportunities to meet with faculty, advisors, and coaches. We offer two official Revisit Days: **Friday, March 31** and **Tuesday, April 4**. Please contact our office by **Friday, March 24** if you would like to reserve a place on one of the days.

You have made your decision:

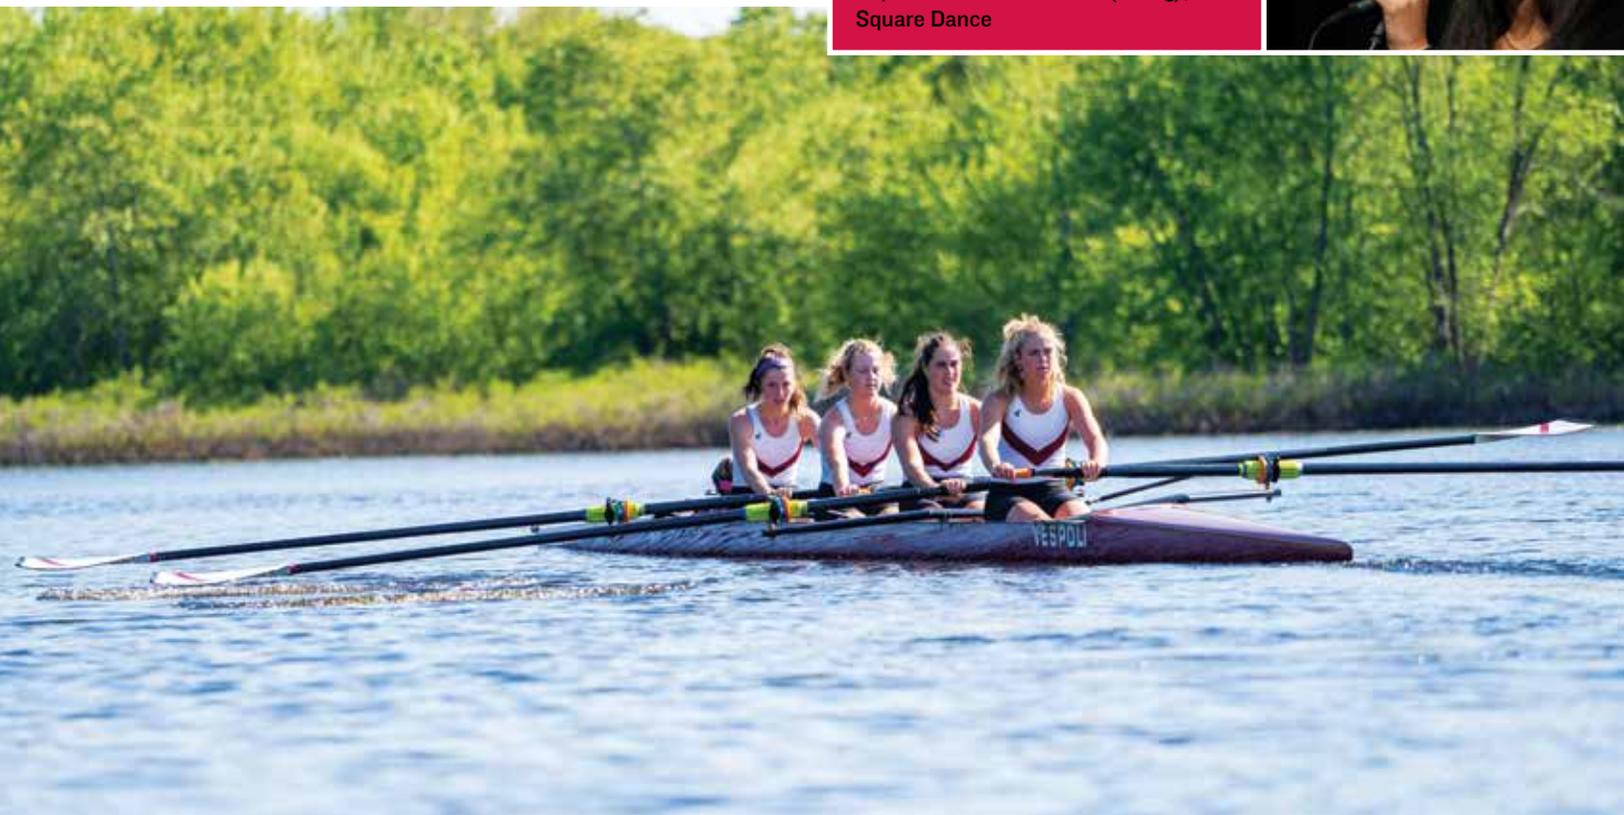

Obviously, we hope you choose Middlesex! To help us manage the expectations of students on our wait list, **we'd appreciate your response as soon as you have made your decision**. Here's how to let us know:

- 1) Email your decision no later than **April 10th** (but hopefully earlier!) to admissions@mxschool.edu
- 2) If you have decided on Middlesex (yeah, future Zebra!), please complete and return the enclosed contract and first payment by **Monday, April 10**.

It's that easy!

Favorite MX traditions:

Plaques, Senior Chapels, Field Day, Pond Jumps, Graduation procession across the Circle, Pep Rally, Sophomore Green Rooms (acting), Square Dance

“Why did you choose to attend Middlesex?”

Besides all of the rich opportunities available on campus, it really came down to the small, tight knit community. I wanted a place where I could push myself but also still form close connections with my fellow students, teachers, and coaches at the same time. After four years at Middlesex, I can truly say that whether it be in the classroom, on the field, or on stage, everyone here from the students to the faculty is invested in supporting you to become the best version of yourself.

I chose Middlesex because of the many opportunities the school offers. Middlesex’s community is supportive and accepting, which allows everyone to freely pursue their interests. The school makes sure there is time for everyone to participate in each activity with the resources necessary to succeed. It’s cool to be a part of a school where students apply themselves in many aspects of the community and no one is judged or confined to one thing.
