“ I have been working with E&R for 9 years for my three children and they are always great! Worth every penny!”

**ST PAUL'S SCHOOL**  
'22-'23 PARENT

“ We can't say enough great things about E&R Laundry. We've used their wonderful service for our daughter at Dartmouth and received excellent service every single week. As the washers and dryers broke in her dorm a few times she was so grateful that she had this laundry service. We would highly recommend.”

**DARTMOUTH COLLEGE**  
'22-'23 PARENT

“ We have used E&R for 13 school years between 4 kids. Thank you for taking such great care of our family.”

**CHOATE ROSEMARY HALL**  
'22-'23 PARENT

“ There are limited facilities in my son's dorm, he plays sports so often and only has 2-3 hours at most on Saturday or Sunday free, and that's when the demand for machines is at its highest. E&R is amazing for my busy son and gives him the time to focus on other things.”

# “I HAVE SO MUCH TIME TO DO LAUNDRY.”

## SAID NO STUDENT, EVER.

Education is important, and so is how you spend your time. The average student spends 80 - 100 hours a year in the laundry room. We want to give you back that time to focus on the important things.

# WHAT WOULD YOU DO WITH 80 HOURS?

With 80-100 extra hours at your disposal, the possibilities are endless. For some, this could be an opportunity to:

- Study for an upcoming exam
- Join a sports team or club
- Socialize and catch up with friends
- Unwind and relax

Having someone take care of the laundry can open up a world of possibilities and allow you to focus on the things that truly matter.

## DISCOVER THE BENEFITS OF NOT DOING YOUR LAUNDRY.

Sign up by **August 15th** to take advantage of our early sign up discount.
