

Transportation

Middlesex Town Shuttle (service to Concord)

Students who use the town shuttle or participate in school-sponsored weekend trips off campus need to submit a Leave Request in REACH and/or SISO appropriately.

Weekdays (Monday through Friday)

Leaves from the Ware Hall Student Center making round trips to Concord beginning at 3:30pm

The last shuttle departs from Concord at 7:10pm.

Weekends

Saturday shuttle service to Concord begins at 12:00pm making round trips with the last shuttle departing Concord at 7:10pm. On weekends there may also be vans or buses to local towns or attractions.

Car services and taxis

Students must submit a Leave Request in REACH and SISO appropriately in order to use any type of car services (including Uber, Lyft, taxi, etc.). As determined by a student's permission form, a parent approval of the Reach Leave request may also be required (see "Automobiles" in the Student Life section of the Handbook). Permission to travel beyond the immediate area (Acton, Bedford, Burlington, Concord, Carlisle, Lexington, Lincoln, Sudbury or Westford) is subject to a student's individual permissions.

With the exception of travel days, car services and taxis may only pick up students in the Acorn Lot. Please know that the School cannot assume responsibility for students who choose to use these types of services. We recommend, however, that students and parents review carefully the terms of service of any provider so engaged.

The School uses **Go Boston Shuttle** (formerly called Ultimate Livery) Car Service when booking transportation on behalf of students at school vacations.

Trains

Students planning to take an MBTA train into Boston must submit a Leave request in REACH and SISO appropriately prior to leaving campus. Depending on the level of parental permission indicated on each student's permission form, students might also need permission through REACH from a parent or guardian. The Acton-Fitchburg line of the MBTA runs regularly from Concord to Cambridge and Boston (North Station). The Acton-Fitchburg line connects with the Red Line at Porter Square (access to South Station and Logan Airport via South Station), and with the Green Line and Orange Line at North Station.
